## INSTALLER'S CHECKLIST

The installer went over the following:

- How to operate the shutter panels
- How to operate the louvers
- How to operate the tension control mechanism
- How to clean the shutters
- Complete touch-up and adjustments
- Left Touch-up Paint
- Arrived within the allotted time frame

I hereby agree that the above information is correct. I am satisfied with the installation of the shutters. I understand that this is custom made merchandise and cannot be returned. Seller reserves the right to remove panels if payment is not made in full.

I have read, understand and am in agreement with these terms.
